**12th International Conference on Ethics Education
Ethics Education, Integral Ecology and Sustainability
Call for Abstracts IAEE 12th Conference (México-2024)**

The 12th International Conference on Ethics Education will take place at Anahuac University North Campus in Mexico City, Mexico from June 19-21, 2024.

The objective is to bring together faculty members, researchers, and students to reflect on education in ethics, integral ecology and sustainability through dialogue and international collaboration. The conference will be organized by the International Association for Education in Ethics (IAEE) in cooperation with Anahuac University Mexico, Anahuac Center for Strategic Development in Bioethics, UNESCO Chair of Bioethics and Human Rights and Anahuac Universities Network.

Proposals (abstracts) for either oral presentations or posters at the Conference are welcome. Please submit your abstract for the International Conference on Ethics Education **before March 31st, 2024**, to: david.cerdio@anahuac.mx (Dr. David Cerdio). Participants who wish to submit their proposal must share their abstract (250-500 words, not including bibliography).

Topics:

- Ethics education
- Integral Ecology
- Sustainability

More information about the format of abstracts is provided at the conference website:

Oral presentation:

There will be a maximum 15-minutes time available for the oral presentation.

Presentation must be developed with Microsoft PowerPoint® according to following guidelines:

- Page: horizontal alignment
- Dimension: standard – screen display 4:3
- **The file must be saved as: registry name (last name_name), category-title**

(E.G: Cerdio_Domínguez Oral Presentation-Integral Ecology).

Poster presentation:

- Posters will be projected. No printing support is necessary.
- On the presentation day, the author responsible for the poster presentation must attend the location of the poster exhibition, according to previously scheduled time.
- The oral presentation of posters is limited to 5 minutes (presentation) and 5 minutes (discussion).

Acceptance resolution:

After sending the abstract, the resolution will be reported by the academic committee within no more than four weeks. At this time, the participant will be informed of the steps to follow to send either their poster or their presentation.
