The student must be aware that these documents must be filed with the Registrar of Postgraduate Office at the University and constitute a mandatory requirement to start and continue any postgraduate.

The student shall also be aware that in the event of having completed studies abroad through an undergraduate or higher level, he (she) must submit the abovementioned documents or the equivalent thereof together with the corresponding revalidation certificate or a technical report issued by the Ministry of Education (SEP). It is essential to know that graduation options are subject to the condition precedent that the SEP issues the corresponding Technical Opinion.

The student shall be responsible for paying the fees corresponding to the Technical Opinion or Validation of documents.

Certification of Documents:

Any non-Mexican students who have completed their studies outside Mexico must submit the following documents duly apostilled or legalized by the competent authorities

1. Original birth certificate.
2. Diploma or proof of a bachelor's degree.
3. Bachelor's transcripts. Four years of studies.

If the international student's country is a member of The Hauge Convention, the student must contact the office in charge of the Apostille application.

If the international student's country is not a member of The Hauge Convention, the student must contact the closest Mexican Embassy or Consulate and have the original documents duly legalized by such authority.

Graduation options.

When students have finished and passed the 18th subjects of the master's degree, they will be eligible to graduate.

1. Students who have completed the official requirements for an apostille or validated documents will be granted the official Mexican master's degree by the Ministry of Education.
2. Students who failed to complete the official requirements for document validating or apostilled documents, as mentioned above, shall be eligible for the so-called Universidad Anahuac's "Magister Degree".
3. Students who have documents missing will be granted the so-called Universidad Anahuac "Associates Degree".
4. In any of the cases above, all students who complete the 18 courses will be granted the 60 ETC credits offer by the *Ateneo Regina Apostolorum*. To obtain the 60 ETC credits, students must comply with another procedure.

The required documents must be filed before the student starts the 17th course of the master's degree.

Students can choose any of the options abovementioned for purposes of his (her) graduation.
