

Master in Global Bioethics M.S. Online

Call to Confer a Degree

The process to confer the degree is carried out by the Registrar, who awards the degree to students.

REQUIREMENTS

- For Mexican students, all original documents are required.
- For Foreign students:
 - Have documents Validated/Apostilled.
 - Once the documents are with the Registrar, a Technical Review will be conducted, which must be signed by the student and faculty.

STEPS

1

All students who have finished their 18 courses become eligible for the Call to Degree.

2

The Academic Coordinator will present a list to the Registrar.

3

Make the payment for the Call to Degree. The fee changes every year.

4

Students on the list will enter the Call to Degree. The Registrar usually holds 3 Call to Degree sessions each year.

5

According to Mexican Law, all documents will be sent to the Ministry of Education for Review.

Documents will be approved and sealed, then sent back to Anahuac University.

6

Documents will be printed in Spanish and translated into English.

7

Documents are sent to the School of Bioethics.

8

Students provide their address for courier shipping.

9

The process takes between 6-12 months to complete.

10

Pay the shipping fee.

11

There will be a Virtual Closing Ceremony.

NOTES

Once the process is completed The UNESCO Chair of Bioethics and Human Right will be sending a Certificate.

To obtain the 60 European Credits students who have the degree must contact ARPA to follow the process.
