Corporate Responsibility and Sustainability

July 6-13, 2020

Somos Anáhuac México • Líderes de Acción Positiva

WHY MEXICO CITY?

Mexico City is the capital of the country and one of the most important political, cultural, educational, and financial centers of America. It is one of the 10 largest cities in the world, classified by *The New York Times* as “the metropolis that has it all”. Mexico City is a cosmopolitan city, ideal for encounters with the historical past; a destination that offers a great cultural, gastronomic and architectural diversity.

WHY UNIVERSIDAD ANÁHUAC MÉXICO?

Universidad Anáhuac México is a private higher education school founded in 1964 in México City as an essential element within the educational project of the Legionaries of Christ.

Nowadays, Universidad Anáhuac México is recognized nationally and internationally as one of the best universities in the country. According to the *QS World University Ranking 2019*, Universidad Anáhuac México ranked third in the national ranking of the Top 10 of the best universities in Mexico for the second year in a row. Due to the high academic quality of its undergraduate and graduate programs, Universidad Anáhuac México has 16 national and 6 international accreditations.

SCHOOL OF SOCIAL RESPONSIBILITY

One of its kind in Latin America.

Recognized as “Leader in educative innovation for sustainable development” for the Business Initiative Directions.

Today’s global challenges urge companies to act in a sustainable and responsible way with the environment and society. In the Summer School in Corporate Responsibility and Sustainability you will learn to identify the stakeholders and the necessary tools to promote development, through leadership and innovation. In addition, you will visit three of the most important and sustainable companies in Mexico and a sustainable village in the ecological reserve of Filobobos.
