

# UDD TEACHER EXCHANGE PROGRAM - CHILE

APPLICATION PROCESS 2021

The International Relations Office at **UDD**, invites its partner universities to **participate in a collaboration program** with teachers from this institution, with the aim of **strengthening academic ties, encouraging mutual learning**, generating new opportunities for cooperation, and **sharing good teaching practices**.

# ▶ PROCESS TO PARTICIPATE

## PROGRAM APPLICATION

Those interested in being part of this initiative must complete the [Online Registration Form](#), attaching a brief collaboration proposal, their updated CV and the program of the course with which they wish to participate.

## APPLICATION DEADLINE

- **November 30th, 2020:** Collaboration for Spring Semester 2021 (March - July)
- **April 30th, 2021:** Collaboration for Fall Semester 2021 (August - December)

## COLLABORATION PROPOSAL

The International Relations Office at UDD will review the applications and projects received, and will find the most suitable UDD counterparts to begin the collaboration.

If necessary, a previous meeting will also be coordinated between the academic area of International Relations and those interested in participating.

# PROCESS TO PARTICIPATE

## **BEGINNING OF THE COLLABORATIVE PROJECT**

The UDD International Relations Office will be in charge of coordinating the first meeting through video conference, with the aim of presenting the international academics with the UDD counterpart.

From that moment, they will begin to develop the structure of the collaborative project.

### **Within this structure it is advisable to define:**

- Project objective or expected result
- Number of activities to develop and tentative schedule
- Structure of the introductory session / icebreaker activity
- Project modality: synchronous, asynchronous or both
- Technological platform to be use: Meets, Zoom, Webex, etc.

## **DEVELOPMENT OF COLLABORATIVE ACTIVITIES**

The UDD Teachers who lead the collaborative project must communicate their progress to the International Relations Department to be able to monitor and support this process.

# PROCESS TO PARTICIPATE

## END OF THE COLLABORATIVE PROJECT

### PROJECT EVALUATION

At the end of the collaboration project, UDD Teachers will complete the experience form or make a final report.

#### **The final evaluation should include:**

- Number of activities carried out
- Number of participating students (local and international)
- Name of the teachers involved in the project
- Learning objectives
- Results and Reflections

### STUDENT EXPERIENCE EVALUATION

At the end of the project, the UDD International Relations Office will send an experience survey to the students who participated in the collaborative project.

The results of this survey will be shared with our International Partners.
